Julia White

B.A., J.D.

Email: jwhite@elia.org

Phone: 866.446.0811 x 824

Julia joined Elia Associates in 2018 as an Articling Student and returned in 2019 as an Associate.

Julia currently practices in all aspects of post-development condominium law. She is embracing and enjoying the often under-appreciated complexity of condominium law, navigating both the political climates and the interplay between personal interests (this is my home) and legal interests (my home has rules).

Julia is no stranger to hard work and competition. She advocates for her clients with the same passion and determination that she shows on the rugby pitch with her teammates. Julia has been playing rugby for 11 years.

She currently plays on the Senior Women's team for the Toronto Nomads, which is a club that competes in the Ontario Women's League ("OWL").

When she decides to leave the office, she still enjoys reading, weight lifting, playing rugby, and spending time with her friends and family (particularly her two dogs Reacher and Roxy!).
