With a passion for civil litigation, Megan joined the team at Elia Associates in 2013. Megan represents condominium corporations and unit owners in a variety of unique civil, corporate, commercial, and quasi-criminal matters relating to the operation of condominium corporations.

With a view to giving back to the greater condominium community, Megan regularly volunteers her time to write or speak on matters relating to and impacting condominium corporations in Ontario.

Megan's competitive edge was honed from eight years spent as a member of the Canadian National Team in figure skating. Always a team player, Megan currently sits on the Board of Directors for her condominium building.

Before joining Elia Associates, Megan worked for the Ministry of the Attorney General in the area of criminal law and as a member of the geological team in the Canadian Rocky Mountains.
